Re: Insertion of Amendment to Right-of-Way UTU-77985, Canyon Fuel Company, LLC, Dugout Canyon Mine, C/007/039-AM01F, Outgoing File

Dear Mr. Olsen:

The Division received your application to insert the corrected Right-of-Way (ROW) information for coal ROW UTU 77985 into your MRP on April 26, 2001. The amendment is hereby approved effective July 10, 2001. Enclosed is a stamped incorporated copy of the ROW document for insertion into your copy of the Mining and Reclamation Plan.

This approval is for updating the information in your MRP and does not confer any rights to conduct mining activity in the ROW. We are currently reviewing your application to install the leach field and hope to approve that MRP revision in the near future. Thank you for completing this permitting action. If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

A handwritten signature in black ink, reading 'Daron R. Haddock'.
